Operations Manager • Amazon SEO & Listing Optimization Specialist • Automation System Developer

dadotamonsot@gmail.com | +63 970-697-1316 | linkedin.com/in/nelvin-amonsot-4b652a217 | Cotabato, Philippines — Open to Remote

PROFESSIONAL SUMMARY

Operations Manager and Amazon SEO specialist who also builds the automation systems that make operations run themselves. Managed end-to-end Amazon and e-commerce operations for a catalog of 25,000+ active ASINs, raising the account's SEO/listing quality score from 2.8 to 8.7 and leading an 11-person remote team. Built an AI-assisted automation app that cut Flat File listing turnaround from one month to one week. Consistently ranked #2 company-wide in internal performance reviews. BS Chemical Engineering, Cum Laude.

CORE SKILLS

Amazon / E-commerce: Seller Central, Helium 10, Shopify, Flat Files, A+ Content, Brand Story, SQP Analysis

Automation & Development: n8n, Claude Code, Cursor, GitHub, Supabase, Vercel, Hostinger, API/Webhook Integration

Operations, PM & CRM: Notion, Slack, Asana, ClickUp, Trello, GoHighLevel, HubSpot, Monday.com, Brevo

Data & Reporting: Excel/Google Sheets, QuickBooks, KPI Dashboards, Business Reports Analysis

PROFESSIONAL EXPERIENCE

Operations Manager | Amazon SEO & Listing Optimization | Automation Development
Jan 2024 – May 2026

RSH Décor

- Managed end-to-end Amazon and e-commerce operations across a catalog of 25,000+ active ASINs — listings, catalog management, SEO, flat files, analytics, and Shopify workflows.
- Built an end-to-end automation app (Claude Code) for Amazon Flat File creation, cutting listing turnaround from one month to one week (~75% faster).
- Owned Amazon SEO and listing optimization using Helium 10 — keyword research, competitor analysis, listing audits, and backend search term optimization — raising the account's SEO/listing quality score from 2.8 to 8.7.
- Directly managed and trained a cross-functional remote team of 11 across listing, flat file, image generation, and Shopify workflows.
- Documented SOPs and maintained live dashboards/trackers for real-time visibility into workload, progress, and team KPIs.
- Resolved Buy Box/Featured Offer issues, suppressed listings, catalog errors, and Seller Central case escalations.
- Created and managed A+ Content and Brand Story submissions across applicable ASINs.
- Reported directly to senior leadership; ranked #2 company-wide in the internal Impact-Weighted Performance Report — behind only the business owner — with a 99/100 discipline score.

Executive and Administrative Assistant
Jun 2022 – Jun 2025

Local Chief Executive's Office, Municipality of Matalam

- Provided high-level executive support to the Mayor, managing calendars, scheduling, and travel coordination.
- Prepared executive briefings, reports, presentations, and meeting materials to support decision-making.
- Maintained organized digital documentation systems (Google Workspace) and tracked KPIs for project monitoring.
- Coordinated communications between the executive office and internal/external stakeholders with strict confidentiality.

Research Specialist and Data Analyst
Sep 2020 – Oct 2024

Client-Based

- Delivered end-to-end research and data analysis services across academic, government, and private-sector clients.
- Performed quantitative and qualitative analysis, dataset design, and report/dashboard creation for evidence-based decisions.

Cold Calling (Sales)
May 2024 – Nov 2024

Swihart's Company (US-Based)

- Conducted high-volume outbound cold calls to US-based prospects, qualifying leads and scheduling appointments via CRM.
- Consistently met and exceeded daily/weekly call and lead-generation targets.

LEADERSHIP EXPERIENCE

- Mindanao President, PIChE – Junior Chapter Mindanao (Aug 2023 – Jul 2024) — led inter-university coordination and regional programs across chemical engineering student chapters.
- Chairperson, Youth Council of the Local Government Unit of New Pandan (Aug 2022 – Dec 2025) — led youth governance programs and full-cycle financial/bookkeeping management under COA standards.
- President, JPIChE MSU-IIT Chapter (Aug 2022 – Aug 2023) — directed chapter programs, events, and officer teams.

EDUCATION

BS Chemical Engineering — Cum Laude
Mindanao State University – Iligan Institute of Technology | 2020 – 2025
